Docket: 021052 D

Date: June 21, 2008

This paper is in further response to the Final Office Action dated March 27, 2008.

In the Advisory Action of June 17, 2008, the Examiner indicated that the Amendment After Final Rejection of May 27, 2008, would be entered for purposes of appeal. Therefore the Applicant assumes that the amendments made in that paper, including the amendment to the specification, have been entered, and now presents additional amendment beyond the May 27 Amendment.

Entry is proper because this papers puts the application into condition for allowance, as discussed in the Remarks below.

No fee is due. In the event that this paper is not timely filed, please consider this paper a petition for an appropriate extension of time. Please charge any fees needed for such an extension of time, and any other fees which may be due with respect to this paper, to Deposit Account No. 01-2340.
